Sir:

SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

Applicant respectfully requests the Examiner to consider the documents listed on the attached PTO-1449 form in connection with the above-identified application.

Documents AA through AK listed on the attached PTO-1449 form were previously cited in the Information Disclosure Statement filed on March 5, 2008; however, the Examiner indicated on the returned PTO-1449 form the documents were neither "prior art nor non-patent literature". Therefore, Applicant is uncertain if the documents were considered by the Examiner, and thus deemed "not prior art" (i.e., not relevant), or if the Examiner did not consider the documents. Accordingly, Applicant is re-submitting a copy of the documents herein, as well as an additional document (AL) for consideration. Document (AL) is an Office Action issued by the Office on May 9, 2008 for co-pending U.S. Patent Application Serial No. 10/518,692. As such, independent consideration and acknowledgement of the cited documents are respectfully requested.

The Commissioner is hereby authorized to charge USPTO deposit account 08-2336 any payment due, and/or to credit any overpayment thereto.

Respectfully submitted,

ANTEO PELLICONI ET AL.
